“A smartly paced political thriller.” —Observer

Morgan Cooper has always found it difficult to balance her home life—mother of two young children and wife of a workaholic civil rights lawyer—with her work life as an undercover CIA officer.

When Morgan gets stressed, anxious, or scared, whether at home or in the field, she tends to talk to herself until she can clear her head. This habit, though, puts her life in danger during an assignment in the strife-torn Gaza Strip.

After leaving home posing as a diplomat, Morgan meets her contact, Abdel Nasser, and the two begin monitoring the warring Fatah and Hamas factions. On the Strip, the betrayals and contradictions of her personal and working lives catch up with her. Soon, Morgan and Nasser are kidnapped by an extremist organization with links to al-Qaeda.

When Adam, Morgan’s husband, receives word of her kidnapping, he is assured by Morgan’s bosses at the CIA that the organization is doing everything they can to find his wife. When days pass with no developments or new information, Adam decides to look for Morgan on his own.

Inspired by actual events, *Taking Morgan* is a gripping novel of political intrigue and suspense. It is also the deeply affecting story of a modern couple struggling with their marriage, suddenly at risk of losing each other forever.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more.
