This volume, part of the thirty-volume Hebrew/English set of the Soncino Press Babylonian Talmud, contains the complete tractate of Nedarim, which deals with the subject of vows.

The Soncino Press Babylonian Talmud has been a valuable resource for the study of Talmud for more than 50 years. It offers an easy-to-use format--with the original Vilna Talmud page opposite its English translation--and many explanatory notes, and it is by far the most affordable English translation of Talmud available.
