Worship Across Cultures: A Handbook

Kathy Black

Worship Across Cultures: A Handbook Kathy Black

A work that will inspire cross-cultural sensitivity, this practical guide provides a road map to the basic worship practices of the major ethnic and cultural groups in North American Protestantism.

"In *Worship Across Cultures*, Kathy Black reports information about actual Christian worship practices gathered in collaboration with persons who come from and minister with churches in twenty-one different cultural contexts in the US. This book is a uniquely valuable resource whether for pastors who regularly lead Christian worship in cultural contexts beyond their own, or for persons visiting worship in another context to attend a marriage or a funeral. By approaching the study of worship through description of actual practices, it will inspire cross-cultural sensitivity, as well as providing food for thought and new ideas for worship. I heartily recommend it for laity, pastors, and seminary classes."--Ruth Duck, Garrett Evangelical Theological Seminary
