## Going Interprofessional: Working Together for Health and Welfare

Health and welfare professionals increasingly have to collaborate and co-ordinate their practice in order to provide a more integrated service for the consumer. *Going Inter-Professional* brings together academics, professionals and researchers to assess the implications for all the professions involved and the practical developments in hospitals, general practice and community care. Individual contributors look at:

- \* the theoretical background to inter-professional work
- \* education and management issues
- \* inter-professional practice issues in work with children, disabled, elderly and mentally ill people
- \* the implications for carers
- \* developments in Australia, Western Europe and the USA
