Going Out On A Limb: How Signals Led Me Beyond My Limits & Into Truth (Follow The Signals) (Volume 2) Bernadette Logue

"Going Out On A Limb" is the much anticipated sequel to the Amazon best seller and Book Award Finalist "Pinch Me - How Following The Signals Changed My Life." This inspiring sequel is receiving 5 STAR reviews as readers take a real-life, no-holds-barred journey with the author as she continues to create her dreams, walking through challenges to get there and all the while being guided by signals from the Universe. Are you ready to follow the signals in your own life? Are you ready to meet the truth of who you really are? **READER REVIEWS:** "I feel like your book is a letter to my soul! What a gift awaits your readers!" (Caroline, USA). "Wonderful... I am recommending your book to all my like-minded friends. What is special about your book is the honesty - usually people just present all the positive aspects, so much so, that is not of much help for someone like me. Your book on the other hand is practical as I see you facing problems, yet not giving up, and eventually not just picking yourself up, but helping others like me immeasurably." (Niranjan, United States) **A GLIMPSE INTO THE STORY:** Following signals from the universe completely transformed Bernadette Logue's life; she had achieved all of the things she set out to. A beautiful lifestyle in a dream location, doing something she truly loved. But there was something bubbling below the surface, calling her in a different direction. Signals were intervening in the neatly arranged life she had created. Her attempts to forge ahead and make things happen now fell flat and caused chaos, leaving her feeling confused and eager to understand what was going on. "I learnt the hard way. Trying to control the exact path you take is like trying to herd cats. Magic happens when we let go and flow with our life. And, the blocks in our life that keep us stuck are the access points to all our gifts within. The emotional stuff we'd rather not address is the very first place to look." In "Going Out On A Limb," Bernadette discovers the hidden power in great challenges. Not just that we all get signals, but why we get them. She provides intriguing insights into soul self and soul intention. This is no ordinary book about transforming your life. Many books leave you wondering what you're supposed to do when things don't go according to plan. In "Going Out On A Limb," Bernadette lets plans go and lets life in. She shares the whole truth, her deepest fears, and the hilarious things that happened along the way. She also shares her darkest hour, and how she nearly turned her back on it all. But this is a triumphant story. A story about discovering your soul self. A story about how to go beyond your limits and become the person you are destined to be. "The great news is that dark times are really just light switches in disguise! When the light returns, it is brighter and more magnificent than you could imagine." This is the second installment of an ordinary woman's courageous journey, following on from her first book, "Pinch Me." [PLEASE NOTE: UNLESS OTHERWISE STATED, PRICES ARE QUOTED IN US DOLLARS]
