John Thompson's Theory Drill Games - Book One (Music writing - designed for fun. Notation taught by animated drawings in loose-leaf form "One Lesson at a Time") John Thompson

The "Theory Drill Games" are designed to teach musical rudiments in an interesting and attractive manner, while saving valuable time at the lesson period. All the work is done at home and the teacher can quickly evaluate the pupils' efforts as the work sheets are handed in for examination. It has long been recognized that the quickest and best way to master notation, time, rhythm and all other elements of music, is by the means of writing exercises. The work here is presented in the form of musical games and puzzles.
