Description:

At thirty-two, Kelli Bryant is ready to take on Chandler Media as the new Marketing Director, but her plans are derailed when her promotion is given to Kelli's old college flame Ian Greyson, her one true love, and the one man she hoped to never see again.

Between Kelli's determination to remain on top and Ian's strict new office policies, there's no shortage of fireworks in the office. Their explosive relationship spills over into their personal lives as Kelli tries to keep Ian at arm's length and Ian desperately tries to win her back (during off hours only, of course).

Professional Boundaries is a clean romance filled with fun and humor. It is a story of two professionals who just can't keep it professional.
