A leading light of the anti-colonial revolts of the 1960s and '70s, Frantz Fanon also prophetically explored the dangers of post-colonial power. *Voices of Liberation: Frantz Fanon* is a rich exploration of Fanon's life and times, combining interviews with those who fought alongside him with selections from his work. This book gives and giving new insight into the extraordinary life and ideas of one of the twentieth century's most important revolutionaries.
