Call of the Alpha - Part 1 Lia Manning

Jessica's whole life is her job. She lives and breathes her work as a nurse. Even her few friends are colleagues. Outside of work, she lives alone on the edge of town, and hasn't had a relationship in years.

One night, driving home after being gently told by her boss to take a week off, something darts in front of her car from the shadows. Something that at first looks almost animal-like.

But instead of an animal, Jessica finds a man, injured and lying in a ditch. Taking him home to treat his wounds, she soon discovers he has no idea who he is, his memories lost in the accident.

As he heals, his memory loss doesn't stop the sexual attraction growing between them. But what else has he forgotten? What was he doing running out there in the dark, and could whatever was hunting him now have set its sights on Jessica too?
