“Dancing keeps me on my toes,” announces Allison Rose. She dances here and there and everywhere, even when people stop and stare. No problem for her, but she thinks how much more fun would it be if others were so free and would kick up their own heels? So, **she introduces them to every dance she can think of – the waltz, the tango, the bunny hop, hip hop, line dancing, fine dancing, the can can, the polka and schottische. These are just a few, but she knows that if she can get them to pick up their feet they will discover a wonderful treat.** What do you think they will do? You’ll have to read the book to find out.

All in rhyme and with over 40 whimsical illustrations.

If you like the books of Dr. Seuss, Mo Willems, Sandra Boynton, Suzy Spafford, Jane O’Connor, the Berenstains, Felicia Bond, Laura Numeroff, and P.D. Eastman, you will love ALLISON ROSE AND HER DANCING TOES.
