## **El elefante desaparece (Spanish Edition)** Haruki Murakami

Un hombre que se obsesiona con la insólita y misteriosa desaparición del elefante de un zoológico, un abogado desempleado que recibe el encargo de su mujer de encontrar a su gato, una pareja de recién casados que deciden atracar un McDonald's en plena noche, una curiosa digresión sobre los canguros, un enano diabólico que baila, un joven empeñado en burlarse de su futuro cuñado, un pirómano confeso... Los protagonistas de todos los relatos que componen este volumen esperan algo. Un accidente, un hecho azaroso. Al contrario que esta obra, donde nada, absolutamente nada, queda al azar. Alternando páginas inquietantes e hilarantes, El elefante desaparece es una prueba más de la capacidad de Murakami para cruzar la frontera entre lo cotidiano más realista y lo fantástico, transformando así la trivialidad de nuestras vidas. Una maravillosa muestra del talento narrativo de Murakami que nos abre las puertas a otras realidades y nos lleva de la mano a mundos fantásticos.
