25 Effective Lessons That Will Teach You How To Become A Homesteader

Homesteading is one of those terms you may have heard but not be certain of what exactly it is. In fact, it has been in existence for hundreds of years and has come and gone in popularity. It is the concept of stepping back from the usual path in life and choosing to become self sufficient. People who live a homestead lifestyle will be looking to grow their own crops, and eat them. It is also highly likely that they will keep livestock such as chickens, ducks and even pigs or goats.

The idea is to be able to become completely self contained, in reality this may take several years to achieve as, not only do they need to establish a good harvest they also need to find ways to live, if possible, without relying on the grid; the usual electricity and water supplies that most people take for granted.

This book will help you to understand what it is to be a homesteader and how to get started. There are twenty five tips to help you get started and build your homestead; these are broken into the following categories:

- 10 Tips to help you get started as a homesteader
- 10 tips to assist with running a homestead
- 5 additional tips which will prove useful to any homesteader.
