**Remember Mia** Alexandra Burt

**Like *Girl on the Train* and *Gone Girl*, *Remember Mia* is a riveting psychological suspense, exploring what happens when a young mother's worst nightmare becomes devastatingly real...**

First I remember the darkness.  
Then I remember the blood.  
I don't know where my daughter is.

Estelle Paradise wakes up in a hospital after being found near dead at the bottom of a ravine with a fragmented memory and a vague sense of loss. Then a terrifying reality sets in: her daughter is missing.

Days earlier, Estelle discovered her baby's crib empty in their Brooklyn apartment. There was no sign of a break-in, but all traces of seven-month-old Mia had disappeared. Her diapers, her clothes, her bottles—all gone.

Frustrated and unable to explain her daughter's disappearance, Estelle begins a desperate search. But when the lack of evidence casts doubt on her story, Estelle becomes the number one suspect in the eyes of the police and the media.

As hope of reuniting with Mia becomes all she has left, Estelle will do anything to find answers: What has she done to her baby? And what has someone else done to her?

*From the Trade Paperback edition.*

### From reader reviews:

#### Gerald Dews:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each guide has different aim or goal; it means that publication has different type. Some people sense enjoy to spend their a chance to read a book. They can be reading whatever they consider because their hobby is reading a book. Consider the person who don't like studying a book? Sometime, man feel need book when they found difficult problem as well as exercise. Well, probably you'll have this Remember Mia.

#### Travis Pope:

This Remember Mia book is just not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is usually information inside this reserve incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This specific Remember Mia without we realize teach the one who looking at it become critical in thinking and analyzing. Don't be worry Remember Mia can bring whenever you are and not make your carrier space or bookshelves' turn into full because you can have it within your lovely laptop even mobile phone. This Remember Mia having very good arrangement in word along with layout, so you will not experience uninterested in reading.

#### Jeffery Chavis:

Information is provisions for those to get better life, information today can get by anyone on everywhere. The information can be a understanding or any news even restricted. What people must be consider any time those information which is within the former life are challenging be find than now's taking seriously which one would work to believe or which one the actual resource are convinced. If you find the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take Remember Mia as the daily resource information.

#### Barbara Davis:

This Remember Mia is great guide for you because the content which can be full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it facts accurately using great manage word or we can point out no rambling sentences in it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but hard core information with wonderful delivering sentences. Having Remember Mia in your hand like having the world in your arm, information in it is not ridiculous one particular. We can say that no e-book that offer you world within ten or fifteen moment right but this book already do that. So , this really is good reading book. Hello Mr. and Mrs. busy do you still doubt that?
