The Life of St. Francis St. Bonaventure

Alongside St. Ignatius, who founded the Jesuits, St. Francis of Assisi is widely regarded as one of the most venerated saints in the Catholic Church due to his work establishing religious Orders that have done an incalculable amount of good and service for societies. Like St. Ignatius, St. Francis also got his start as a soldier who experienced a vision that put him on a more divine path. St. Francis eventually became a pillar of the Church, both living in poverty to assist those in greatest need and in establishing the Franciscan Order, the Order of Poor Clares, an enclosed order for women, and the Third Order of Brothers and Sisters of Penance. Near the end of his life, he became the first person recorded in history to bear the stigmata, the Passion wounds that Christ suffered in crucifixion, which only added to his ultimate aura and legacy.
