Lured by Jimmy Buffett's lyrics of Christmas Island, it seems to be the perfect, tropical paradise for Liv to escape from a cold Minnesota winter—and maybe, if Christmas wishes come true, she'll meet a sexy sailor of her own to forget her cheating ex-husband.

~~~

Emily loves her simple existence as a romance writer and mother and is content to let anything resembling desire pass her by, but her tenacious agent has some ideas of his own. He's determined to see her rejoin the human race and begin dating once more—particularly if the man she chooses to date should happen to be him...

~~~

Christmas is the season of miracles and Detective Tony Preston will need one if he is to stop the monster kidnapping children. With the help of a sexy crime lab tech—and a little divine intervention—he may just get his Christmas wish.

~~~

The earl of Ardmoor is back and hosting a Christmas get-together. His guests plan teaching Wood Nymphs Christmas carols and giving out magical wishes on ribbons. The guests include a half and half with an agenda, a disappearing moon struck sycophant, and a sunshine vampire who needs to mind her fangs. Oh, and hosting the man who nearly succeeded in unmanning him.
