Fans of Jeff Kinney's humor and Sharon Creech's heartfelt stories will love the second book in this hilarious new series about a ten-year-old boy from a big family who dreams of making it into *The Guinness Book of World Records*.

Win or lose, friends stick together. But when Teddy's whole class decides to break a bigger, better world record, friends turn into enemies. And Teddy feels stuck in the middle. To fix this mess, Teddy will have to do something he's never done before—try *not* to break a record! Can he win at losing before his whole class misses out? And can Teddy be a winner at all without help from his friends? Humor and grit triumph in this story of one boy's struggle to make peace in a class full of record breakers, a coop full of pigeons, and a world full of wonders.

Told in short, accessible sections with fun lists and highly rambunctious illustrations, the Teddy Mars series is perfect for reading aloud. Teddy's never-give-up attitude will have readers laughing out loud and striving to break world records of their own.
