#### Joomla! Search Engine Optimization Ric Shreves

The book will take a hands-on approach to the process involved in configuring a site for SEO. As SEO is an ongoing process – it doesn't stop once the site is built – the book will provide reusable tips and techniques in order to understand what they have to do after the site is live, This book targets site builders, webmasters and site owners. Advanced technical skills are not required, though the user should be familiar with administering a Joomla! website, including how to install Extensions.
