Materia oscura (Voces / Literatura nº 219) (Spanish Edition) Ángel Zapata

En astrofísica, se llama «materia oscura» a una materia que los instrumentos no pueden detectar, y cuya existencia se deduce de sus efectos gravitatorios. La composición de la materia oscura nos resulta desconocida, pero no así su propiedad más notable, que es la de aglutinar la materia visible.

De un modo análogo, el lenguaje está habitado por un elemento que le es extraño "la pulsión inconsciente", y que le proporciona una cohesión tensa, dinámica, donde el sentido y el sinsentido, lejos de excluirse, se mezclan para producir el efecto de la significación.

En la tradición del surrealismo, este libro de Ángel Zapata propone un modo de escritura que se concibe como inscripción de lo pulsional. Una escritura fragmentaria, exploratoria, múltiple, en la que los géneros y la narratividad misma se disuelven. Y que atestigua así la conmoción de una época donde la posibilidad del significado está siendo anulada por la destrucción de toda forma de normatividad y límite a manos del capitalismo, y la vuelta a la ley del más fuerte como expresión (abyecta) del vínculo social.

From reader reviews:

Alfred Wolff:

As people who live in the modest era should be upgrade about what going on or facts even knowledge to make them keep up with the era and that is always change and move ahead. Some of you maybe will certainly update themselves by looking at books. It is a good choice in your case but the problems coming to an individual is you don't know which you should start with. This Materia oscura (Voces / Literatura nº 219) (Spanish Edition) is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Rose Buck:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want drive more knowledge just go with schooling books but if you want feel happy read one with theme for entertaining including comic or novel. Often the Materia oscura (Voces / Literatura nº 219) (Spanish Edition) is kind of e-book which is giving the reader unforeseen experience.

Donald White:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent that they free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity this is look different you can read a book. It is really fun in your case. If you enjoy the book that you read you can spent 24 hours a day to reading a e-book. The book Materia oscura (Voces / Literatura nº 219) (Spanish Edition) it is quite good to read. There are a lot of individuals who recommended this book. These were enjoying reading this book. If you did not have enough space to create this book you can buy often the e-book. You can m0ore easily to read this book through your smart phone. The price is not to cover but this book provides high quality.

Harrison Johnson:

Playing with family in a park, coming to see the coastal world or hanging out with pals is thing that usually you might have done when you have spare time, in that case why you don't try factor that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Materia oscura (Voces / Literatura nº 219) (Spanish Edition), you are able to enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't get it, oh come on its named reading friends.
