MURDER - WHEN PARADISE STINKS! Book 1 of a series of 3. Murmur, a paradise like planet, isn't a backwards planet, not even a poor one. Just rather out of the way. And of course there is no world, no matter how splendid, that could call itself a paradise without the proverbial fly in the ointment. In the case of Murmur, a water planet with no land area to speak of, the stink in the water. After ten years in the marine corp, Jack Wall retired to his home planet Murmur. But even in paradise life can get rather boring after awhile. Especially when you're broke. A 110 pages SF graphic novel by Guido Vrolix, inspired by the many worlds of Jack Vance.
