Puzzling People: The Labyrinth of the Psychopath Thomas Sheridan

As well-researched as a scholarly work, yet with the immediacy and accessibility of a layman, *Puzzling People* is a first-person account of the cheats, the charlatans, the liars, the neglectful parents, abusive teachers, two-faced politicians and their Psychopathic Control Grid, tyrannical bosses and colleagues from hell we have all encountered, including the lying lovers who use us then lose us in an instant. *Puzzling People* takes an in-depth look at how the minds of psychopaths work and why, and focusses on what you can do to survive and thrive and ultimately escape forever. Delivered in a voice that makes it clear that the author lives what he writes, *Puzzling People* is an invaluable field guide to spotting and avoiding entities so completely lacking in empathy or compassion they may as well be counted as a different species entirely to human beings.
