Visions Larkin Rose

Paige Burton meets the love of her sexual life at a masked sex party when she's too young to realize how special their connection is. After years of searching for similar sexual bliss, she has officially given up. Now she pours out her frustration via her online blog and by dancing away her frustrations in her club.

Billionaire architect Mayson Montgomery made her fortune building eco-friendly offshore wind turbines. She learned quickly that money stood in the way of finding a happy ever after. But she still remembers her masked angel years ago.

When they meet again, Paige doesn't make the connection between her masked lover from the past and Galveston's raunchy rich heart throb. Fortunately, Mayson is a little more aware and won't give up until Paige has fallen head over heels for her.

Will Paige and Mayson grasp the love in front of them or will they let it slip away a second time?
