## Wild Goose Chase Jan Romes

Olivia Pence has been a word-nerd and all-around geek forever, which didn't exactly win her a ton of friends growing up. It did, however, snag the attention of a like-minded geek, Dezz Casey. Instead of becoming fast friends, Dezz became a competitive thorn. The rivalry continued through grade school, high school, college, and now as co-workers for Brilliance magazine.

The most annoying thing – Dezz went from being a homely dork to six-feet-three-inches of hotness that infuriates Olivia to the point of madness. Their boss has had her fill of the chaos and orders a two-week cooling-off period where they're to travel (separately) and find serendipitous situations to write about.

Will the time away fix their work issues and their hearts? Or will it amount to a wild goose chase that drives them farther apart?
