How wonderful! One of your best friends in the whole wide world has just announced that she's pregnant. Naturally, you're delighted, and can't hold back your tears of joy. It's hard to imagine that, in just a matter of time, your special friend is going to be a mother (maybe even for the second or third time...or more!).

As you let the amazing news sink in, your friend is envisioning the journey that will usher in a new life into the world: the gynecologist visits, the morning sickness, the ultrasound testing, the roller coaster of emotions that will eventually culminate in an experience that defies description.

Indeed, despite the frequency of births – tens of thousands a day, all across the world – they remain nothing short of miraculous. It's not hard to imagine, therefore, that your friend is reflecting on issues that are truly hard to put into words.

Your world, however, is rather more pragmatic. You're thinking of the baby shower; or rather, you're thinking that you might not know enough about planning and managing a baby shower. And that has you worried.

Well, worry no more! In your hands (or on your screen) is *The Golden Guide on Guest Planner & Games to Play* was designed to help soon-to-be parents who want to have fun activities and games during the big event. This Book is comprised of two parts.
