Offshore Sailing - 100 Point Pre-Passage Inspection for Sailors (Sailing Gear Book 2) Lance Gettler

Use this list as a tool to help you prepare your boat for offshore sailing. It's a thorough point by point inspection from keel to mast head and includes tips and tricks about what important sailing gear to check, and what specifically to look for. It also covers what to pack, provision, and what spares you should have on board.

A point by point inspection checklist for sailors and boaters. This comprehensive list covers:

1. Rigging
2. Sails
3. Hull and Deck
4. Interior
5. Engine Compartment
6. Systems
7. Safety Equipment
8. Provisioning
9. Spare Parts
10. Route and Passage Planning

About the author:

In 2001, thirty-one-year-old Lance Gettler sold everything he owned, bought a sailboat sight unseen over the internet, and went sailing around the world. He didn't know how to sail, and had only gone sailing once before, nine years prior.

From 2001 to present he has lived aboard a sailboat in the Caribbean, working on and repairing sailboats. He is also active in the sportfishing industry and fishes for a living. From 2005 to 2006 he sailed around the world aboard his 41' ketch with his brother, who didn't know how to sail either.

Lance is now a professional delivery captain, delivering yachts worldwide. In 2011 alone he logged more than 12,000 nm at sea, aboard three different sailboats.

You can read about his experience circumnavigating in "Ask Me Anything About Sailing Around The World" or learn how to fish in "Fishing to Live" a step by step how-to fishing book.
