Same Planet - Different World (Volume 1) Ben Clabaugh

Winner of the 2009 Mom's Choice Award and a 2011 Transformational Author Contest award winner, "Same Planet...Different World" Book I is a fast paced story for kids and adults about friendship, loss, how quickly life can change, and how the quality of our lives is determined by how we choose to feel about those changes. It's the beginning of summer, and David Fuller is bored and alone because his parents uprooted him from his life and all his friends by moving them all to some lame Midwest suburb. When a new family moves in next door with a boy David's age, his mom forces him to hang out with the kid, Shelton—a wide-eyed weirdo who can't catch a ball, stares at anthills for hours, and greets dogs by sniffing their butts. The word "special" comes to mind. Shelton is as strange as he seems and, it turns out, that's not all bad. An unlikely friendship develops, and David begins to learn that whatever happens, it's up to him to decide what it means. But things turn creepy when David notices several men-in-black skulking around the neighborhood, their telephoto lenses aimed Shelton's house from inside dark, unmarked SUVs. Just how special is Shelton, anyway? What do these men want with him and what will they do to get it? The answers force David to make the most difficult decision of his life.
