“Is my baby with God now?” What does the Bible say to such a question? What hope does it offer parents grieving the loss of a precious child? The answers are merciful. However, the implications are not simple. Is God a Universalist? Is there salvation after death? What is the role of infant baptism? And what about the doctrine of depravity? If a baby is born into sin, then what? What happens to the unborn -- to the miscarried and the aborted? For pastors looking for biblical grounds to offer comfort and assurance, and for parents seeking solace for their grief, *When a Baby Dies* offers insights that are rich in hope and grounded solidly in Scripture.
