The author Johanna Brasford creates illustrations that are hand drawn and inspired by her rural hometown located in Scotland. From the Author: "Tumble down the rabbit hole and find yourself in my inky black and white Wonderland...I create intricate, hand drawn illustrations predominately, although not exclusively, in black and white. My creativity is cultivated by a curious imagination and a delight in the fantastic. Much of my work has roots in the flora and fauna that surrounded me growing up on my parent's fish farm in rural Scotland." (Brasford, J) "Every piece I create starts life as a simple pencil sketch, evolving into a rambling pen and ink drawing usually spanning several sheets of paper. I love the tactile nature of the materials I use and the joy of smudgy fingerprints. My delicate hand inked designs intend to charm and delight, inviting you to peer closer and discover the hidden intricacies" (Brasford, J)
