Chasing the Surface

Robert G. Edwards

Chasing the Surface Robert G. Edwards

Six years ago, Sam Fenton had the world at his feet after reconnecting with his childhood love, a dream he once thought beyond his grasp. But in the shadow of her unexpected death, Sam learned the agonizing lesson that life plays by its own set of rules. Now, years later, despite his lingering grief, Sam wants to love again; if only he can find the resolve to do so. Now a travel writer, Sam is assigned to an excursion to a private island in the Caribbean where he discovers that life has yet another lesson to teach when he is literally thrown together with Tara Lindsey, the beautiful but aloof Activities Coordinator who has a guarded past of her own. Contentious at first, their encounter will ultimately plunge them into a romance far deeper and more complex than either could have anticipated. Trust is in short supply. Faith is questioned and old, painful fears come to light. Fears that must be conquered if there is to be any hope of embracing the future they both desperately crave. Can Tara overcome her own personal tragedy in time to realize the hope that Sam represents? And can Sam understand once and for all that sometimes moving on doesn't mean having to let go? *Chasing the Surface* is the heart-wrenching sequel to the much beloved *An Image of Us*. It is the continuation of a journey that takes a fervent and poignant look at what it means to love beyond the boundaries of mortality, and at the strength demanded to trust one another... and ourselves.

From reader reviews:

Jeffrey Thompson:

What do you regarding book? It is not important together with you? Or just adding material when you really need something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to perform others business, it is make one feel bored faster. And you have free time? What did you do? Everybody has many questions above. They have to answer that question since just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on jardín de infancia until university need this particular Chasing the Surface to read.

Desmond Gorman:

In this 21st millennium, people become competitive in most way. By being competitive right now, people have do something to make all of them survives, being in the middle of the crowded place and notice by surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yes, by reading a e-book your ability to survive boost then having chance to remain than other is high. In your case who want to start reading some sort of book, we give you that Chasing the Surface book as starter and daily reading book. Why, because this book is usually more than just a book.

Peggy Ross:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want drive more knowledge just go with schooling books but if you want experience happy read one together with theme for entertaining for instance comic or novel. The actual Chasing the Surface is kind of guide which is giving the reader unforeseen experience.

Jennifer Joseph:

People live in this new time of lifestyle always aim to and must have the time or they will get lots of stress from both lifestyle and work. So , whenever we ask do people have extra time, we will say absolutely indeed. People is human not a robot. Then we inquire again, what kind of activity have you got when the spare time coming to anyone of course your answer may unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read is usually Chasing the Surface.
