Leonard Cohen: An Illustrated Record

Leonard Cohen: An Illustrated Record

For more than four decades, Leonard Cohen's mournful ballads of desire, heartbreak and lost faith have captivated audiences the world over. Now more popular than ever, the award-winning Canadian songwriter, novelist and poet is revered as a cultural icon and master of his craft.

Published to coincide with Cohen's 80th birthday in September 2014, this is the first complete guide to his studio and live albums — from his studio debut, *Songs of Leonard Cohen* (1967), to his most recent record, *Old Ideas* (2012). Offering a comprehensive overview of each LP — from writing and recording through to release and legacy — *Leonard Cohen: An Illustrated Record* is a richly illustrated tribute to the body of recorded work that has made Cohen a legend in his own lifetime.
