Marx Dictionary (Continuum Philosophy Dictionaries) Ian Fraser, Lawrence Wilde

The Marx Dictionary is a comprehensive and accessible guide to the world of Karl Marx. Meticulously researched and extensively cross-referenced, this unique book covers all his major works, ideas and influences and provides a firm grounding in the central themes of Marx's thought from a philosophical perspective. Students will discover a wealth of useful information, analysis and criticism. A-Z entries include clear definitions of all the key terms used in Marx's writings, coverage of their German origins, and detailed synopses of all his key works. The *Dictionary* also includes entries on Marx's major philosophical and political influences and contemporaries. It covers everything that is essential to a sound understanding of Marx's work, offering clear and accessible explanations of often complex terminology. *The Marx Dictionary* is the ideal resource for anyone reading or studying Marx or Nineteenth-Century Political Thought more generally.
