Sturm

Ernst Jünger, Alexis P. Walker

Sturm Ernst Jünger, Alexis P. Walker

Set in 1916 in the days before the Somme offensive, Ernst Jünger's *Sturm* provides a vivid portrait of the front-line experiences of four German infantry officers and their company. A highly cultivated man and an acute observer of his era, the eponymous Lieutenant Sturm entertains his friends during lulls in the action with readings from his literary sketches. The text's forays into philosophical and social commentary address many of the themes of Jünger's early work, such as the nature of war, death, heroism, the phenomenon of *Rausch*, and mass society.

Originally published in installments in the *Hannoverscher Kurier* in 1923, *Sturm* fell into obscurity until 1960, when it was re-discovered and subsequently re-published by Hans Peter des Coudres, a scholar of Jünger's work. This translation—the first to be published in English—brings to the English-speaking world a work of literature of interest not only to students of Jünger's work and of World War I, but to any reader in search of a powerful story of war and its effects on the lives of the men who endure it.

From reader reviews:

Catherine Williams:

As people who live in the modest era should be change about what going on or information even knowledge to make all of them keep up with the era that is certainly always change and move forward. Some of you maybe will update themselves by looking at books. It is a good choice for yourself but the problems coming to you is you don't know which you should start with. This Sturm is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.

Willie Hickox:

Reading a guide can be one of a lot of exercise that everyone in the world enjoys. Do you like reading book therefore. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new information. When you read a publication you will get new information due to the fact book is one of a number of ways to share the information or perhaps their idea. Second, reading a book will make a person more imaginative. When you looking at a book especially hype book the author will bring someone to imagine the story how the characters do it anything. Third, you are able to share your knowledge to others. When you read this Sturm, you are able to tells your family, friends as well as soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a publication.

Jennifer Trojanowski:

People live in this new day of lifestyle always try to and must have the free time or they will get wide range of stress from both day to day life and work. So , whenever we ask do people have time, we will say absolutely without a doubt. People is human not really a huge robot. Then we request again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer can unlimited right. Then do you ever try this one, reading books. It can be your alternative with spending your spare time, the particular book you have read is usually Sturm.

Cheryl Crockett:

Is it you who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something new? This Sturm can be the response, oh how comes? It's a book you know. You are consequently out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?
